Mr. Ralph Herrick  
Town Engineer  
Forest Street  
Acton, Massachusetts 01720

Dear Mr. Herrick:

The continuing performance bond of New England Telephone and Telegraph Company recently furnished the Town of Acton in the sum of \$25,000, which cancels and supersedes previous bond dated May 13, 1980 is, in my view, sufficient to indemnify the Town "from all loss, cost, damage or expense in any way arising from or growing out of the work to be undertaken by it" or those for whom "it" is legally responsible. This would include Earl R. Drew d/b/a Earl R. Drew & Sons, 61 Athol-Tully Road, Athol, Massachusetts, presently under contract with this Company for the performance of certain work operations in Hosmer Street, Russell Road, Craig Road and Piper Road, Acton, Massachusetts.

Should you have any further questions concerning this matter, please feel free to communicate with me.

Very truly yours,

cc: W. Wallace
